

Summer Day Camp 2020

For more than 35 years, we have been helping Maryland kids thrive - providing top quality care - before and after school and during the summer. The Open Door program is available to all children entering grades 1 through 6 and offers a nurturing and stimulating experience with quality supervision, experienced teachers, exceeding regulatory standards established by MSDE. Weekly themes enhance learning, and engage children socially as well as academically.

\$225/wk
